MEETING AGENDA

BRUNSWICK COUNTY SUBSTANCE USE, ADDICTION, & MENTAL HEALTH COMMISSION MEETING AGENDA

The purpose of the Brunswick County Substance Use, Addiction, and Mental Health commission is to make advisory recommendations regarding the substance use, addiction, and mental health program needs of Brunswick County:

- Providing expertise from their profession and experience.
- Providing insight, perspective, and input from their represented organization, where applicable.
- Seeking and receiving from Brunswick County staff, and other sources, data related to substance use, addiction, and mental health needs in Brunswick County.
- Assessing and maintaining knowledge of existing services and interventions addressing substance use, addiction, and mental health needs in Brunswick County.
- Discussing and examining gaps in substance use, addiction, and mental health services and interventions in Brunswick County.
- Formulating annually each December recommended substance use, addiction, and mental health services and interventions to Brunswick County Board of Commissioners and staff.
- Providing recommendations separate from the annual recommendations, as needed.
