VARIOUS AUDIO/VIDEO EQUIPMENT FOR THE
BRUNSWICK COUNTY GOVERNMENT COMPLEX
UNDER SOLE SOURCE EXCEPTION TO FORMAL BIDDING REQUIREMENTS**

WHEREAS, N.C.G.S 143-129(e)(6), Procedure for Letting of Public Contracts, allows for the waiver of formal bidding requirements for purchases of apparatus, supplies, materials, or equipment when performance or price competition for a product are not available, or a needed product is available from only one source of supply, or standardization or compatibility is the overriding consideration; and

WHEREAS, the duress system in the Courthouse has recently been upgraded, and the remaining Complex buildings can be integrated with the Courthouse system in lieu of purchasing an entire additional system; and

WHEREAS, it is recommended that a new camera system be installed in Building I to complement the standard that is currently in place in seven other County buildings; and

GOODS AND SERVICES AGREEMENT

BRUNSWICK COUNTY

THIS GOODS AND SERVICES AGREEMENT (hereinafter referred to as the “Agreement”) is made and entered into by and between Brunswick County, a body politic and corporate of the State of North Carolina, (hereinafter referred to as “County”), party of the first part and North Carolina Sound of Goldsboro, LLC, (hereinafter referred to as “Provider”), party of the second part.

WITNESSETH:

1. GOODS AND SERVICES; FEES

The goods to be purchased and the services to be performed under this Agreement (hereinafter referred to collectively as the “Project”) and the agreed upon fees for the Project are set forth on Exhibit “A” and Exhibit “B” attached hereto.

Any exhibits or attachments referenced herein are hereby incorporated by reference and made a part of this Agreement. Any conflict between the language in an exhibit or attachment and the main body of this Agreement shall be resolved in favor of the main body of this Agreement.

2. TERM OF AGREEMENT AND TERMINATION

The term of this Agreement begins on 9/20/2021 (the “Effective Date”) and continues in effect until 03/01/2022, unless sooner terminated as provided herein. The County may terminate this Agreement at any time without cause by giving sixty (60) days’ written notice to Provider. As soon as practicable after receipt of a written notice of termination without cause, Provider shall submit a statement to County showing in detail the work performed under this Agreement through the effective date of termination. County may terminate this Agreement for cause by giving written notice of a breach of the Agreement. Provider shall have fifteen (15) days to cure the breach following receipt of the notification. Failure to cure the breach within the fifteen (15) days shall result in the immediate termination of the Agreement. Notwithstanding the foregoing, County may terminate this Agreement immediately and without notice to Provider if Provider becomes insolvent, makes or has made an assignment for the benefit of creditors, is the subject of proceedings in voluntary or involuntary bankruptcy instituted on behalf of or against Provider, or has a receiver or trustee appointed for substantially all of its property, or if Provider allows any final judgment to stand against it unsatisfied for a period of forty-eight (48) hours.

If County disputes any portion of the charges on any invoice received from Provider, the County shall inform Provider in writing of the disputed charges. Once the dispute has been resolved, Provider shall re-invoice County for the previously disputed charges, and, per any resolution between County and Provider, the County shall pay those charges in full at that time. No advance payment shall be made for the work to be performed by Provider under this Agreement.

Provider shall not be entitled to participate in any plans, arrangements or distributions by the County pertaining to or in connection with any pension, stock, bonus, profit sharing or other benefit extended to County employees.

In the event the Internal Revenue Service should determine that Provider is, according to Internal Revenue Service guidelines, an employee subject to withholding and social security contributions, then Provider hereby acknowledges that all payments hereunder are gross payments, and the Provider is responsible for all income taxes and social security payments thereon.

7. WARRANTIES

Provider shall defend, indemnify and hold harmless County, its officers, officials, agents and employees from and against all actions, liability, claims, suits, damages, costs or expenses of any kind which may be brought or made against County or which County must pay and incur arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind in connection with or arising out of this Agreement and/or the performance hereof that are due in part or in the entirety of Provider, its employees or agents. Provider further agrees to investigate, handle, respond to, defend and dispose of same at its sole cost and expense. All insurance policies (with the exception of Workers' Compensation, if applicable, and Professional Liability) shall be endorsed, specifically or generally, to include County as an additional insured and as a certificate holder. Provider shall furnish a Certificate of Insurance from a licensed insurance agent in North Carolina with a rating of A-VII or better by A.M. Best verifying the existence of any insurance coverage required by County. The Certificate will provide for thirty (30) days' advance notice in the event of termination or cancellation of coverage. Provider shall have no right of recovery or subrogation against County (including its officers, agents and employees), it being the intention of the parties that the insurance policies so affected shall protect both parties and be primary coverage for any and all losses covered by the aforementioned insurance.

15. WORKERS' COMPENSATION

To the extent required by law, Provider shall comply with the North Carolina Workers' Compensation Act and shall provide for the payment of workers' compensation to its employees in the manner and to the extent required by such Act. In the event Provider is excluded from the requirements of such Act and does not voluntarily carry workers' compensation coverage, Provider shall carry or cause its employees to carry adequate medical/accident insurance to cover any injuries sustained by its employees or agents while fulfilling Provider's obligations under this Agreement.

Provider agrees to furnish County proof of compliance with said Act or adequate medical/accident insurance coverage upon request.

Annual Federal Financial Report (FFR or SF-425)

All financial reporting for recipients of Health and Human Services (HHS) grants and cooperative agreements will be consolidated through a single point of entry, which has been identified as the Payment Management System (PMS). The Federal Financial Report (FFR or SF-425) initiative ensures all financial data is reported consistently through one source; shares reconciled financial data to the HHS grants management systems; assists with the timely financial monitoring and grant closeout; and reduces expired award payments.

The FFR is required on an annual basis no later than 90 days after the end of each Budget Period. The FFR should reflect cumulative amounts. Additional guidance to complete the FFR can be found at <http://www.samhsa.gov/grants/grants-management/reporting-requirements>.

SAMHSA reserves the right to request more frequent submissions of FFRs. If so, the additional submission dates will be shown below.

Your organization is required to submit an FFR for this grant funding:

- **By December 31, 2022**, submit the Federal Financial Report (FFR) (SF-425).

Standard Terms for Awards

Your organization must comply with the Standard Terms and Conditions for the Fiscal Year in which your grant was awarded. The Fiscal Year for your award is identified on Page 2 of your Notice of Award. SAMHSA's Terms and Conditions Webpage is located at: <https://www.samhsa.gov/grants/grants-management/notice-award-noa/standard-terms-conditions>.

Consistent Treatment of Costs.

Recipients must treat costs consistently across all federal and non-federal grants, projects and cost centers. Recipients may not direct-charge federal grants for costs typically considered indirect in nature, unless done consistently. If part of the indirect cost rate, then it may not also be charged as a direct cost. *Examples of indirect costs include (administrative salaries, rent, accounting fees, utilities, office supplies, etc.).* If typical indirect cost categories are included in the budget as direct costs, it is SAMHSA's understanding that your organization has developed a cost accounting system adequate to justify the direct charges and to avoid an unfair allocation of these costs to the federal government. Also, note that all awards are subject to later review in accordance with the requirements of 45 CFR 75.364, 45 CFR 75.371, 45 CFR 75.386 and 45 CFR Part 75, Subpart F, *Audit Requirements*.

Compliance with Award Terms and Conditions

FAILURE TO COMPLY WITH THE ABOVE STATED TERMS AND CONDITIONS MAY RESULT IN ACTIONS IN ACCORDANCE WITH 45 CFR 75.371, REMEDIES FOR NON-COMPLIANCE AND 45 CFR 75.372 TERMINATION. THIS MAY INCLUDE WITHHOLDING PAYMENT, DISALLOWANCE OF COSTS, SUSPENSION AND DEBARMENT, TERMINATION OF THIS AWARD, OR DENIAL OF FUTURE FUNDING.

All previous terms and conditions remain in effect until specifically approved and removed by the Grants Management Officer.

Tax Administration - Relief from Collection September 2021 for 2010

Issue/Action Requested:

Request that the Board of Commissioners grant Tax Collector relief from "charge of collections" for three specific instances: (1) on taxes after all collection remedies have been expired (10 years from due date); (2) on personal property insolvents that are five years past due; and (3) on classified motor vehicle taxes that are one year or more past due when it appears that they are uncollectible.

Background/Purpose of Request:

The General Statutes authorize that Board of Commissioners to grant the Tax Collector relief from "change of collection" in three specific instances: (1) on taxes after all collection remedies have expired (10 years from due date); (2) on personal property insolvents that are five years past due; and (3) on classified motor vehicle taxes that are one year or more past due when it appears that they are uncollectible. In all of these cases, the tax due remains, and the county may accept voluntary payments, but the effect of this authorization is to relieve the tax administrator/collector of his/her charge of collections. Please accept the items on the attachments ad no collectible and authorize "relief from tax collector charge."

NC General Statute 105-378 (a)
NC General Statute 105-373 (2) & (g)
NC General Statute 105-373 (h)

The NC General Statute states the governing body of any taxing unit may, in its discretion, relieve the tax collector and deputy collector of the charge of taxes owed by persons on the insolvent list and the motor vehicles listed pursuant to G.S. 105-330.3(a)(1) that are one year or more past due when it appears to the board that the taxes are uncollectible. This relief, when granted, shall include municipal and special district taxes charged to the collector.

The NC General Statutes explain that No County or Municipality may maintain an action or procedure to enforce any remedy provided by the law for the collection of taxes or enforcement of any tax liens – whether the taxes or tax liens are evidenced by the original tax receipts, tax sale certificates, or otherwise – unless the action or procedure is instituted within 10 years from the date the taxes became due.

Issue/Action Requested:

Request that the Board of Commissioners approve a resolution to accept the loan offer and associated assurances to secure \$2,218,967 in North Carolina Department of Environmental Quality Drinking Water State Revolving Fund funding for the repair and rehabilitation of the Town of Navassa drinking water system; and to authorize the County Manager to furnish such information as the appropriate State agency may request in connection with the acceptance of funding.

Background/Purpose of Request:

At the March 16, 2020, Board Meeting, the Board of Commissioners approved the resolution to submit an application for grant funding, including all its terms and conditions, to the North Carolina Department of Environmental Quality (NCDEQ) Division of Water Infrastructure to perform necessary repairs and rehabilitation of the Town of Navassa drinking water system. Following the resolution, the Board of Commissioners approved the award of \$2,218,967 from the Drinking Water State Revolving Fund (DWSRF) at the April 19, 2021, meeting.

Brunswick County Public Utilities has since then submitted the required Engineer's Report, which has been approved by NCDEQ to secure funding and be approved for the funding award. The funding award is subject to assurances and conditions which are required to be accepted by Board Resolution. County staff requests the Board of Commissioners to resolve to accept the loan offer and associated assurances to secure \$2,218,967 in DWSRF funding for the repair and rehabilitation of the Town of Navassa drinking water system.

Strategic Vision for Brunswick County

2015

Introduction ;

Brunswick County launched a strategic visioning process in September 2015. The county's previous strategic vision document, Brunswick Tomorrow, was completed in 2004, and Brunswick County has undergone tremendous changes in the 13 years since its adoption.

Brunswick Vision is intended to articulate a long-term vision and establish strategic goals to ensure that Brunswick County continues to be a great place to live, work, start or run a business, retire or spend a vacation.

When I was first elected to the Board of Commissioners, I received a copy of “Brunswick Tomorrow,” among numerous other documents and information about the County. Completed in 2004, the plan offers a detailed glimpse of Brunswick County at that time, along with where residents wanted to see their County in the future and how they wanted it to get there.

“Brunswick Tomorrow” was the result of a tremendous amount of hard work by a number of individuals, and it served Brunswick County well for many years. But since its completion, Brunswick County has experienced rapid growth, undergone tremendous demographic changes, and experienced dramatic economic shifts. Brunswick County was not immune to the economic recession, and its economy, though growing stronger, looks different than it did in 2004. At the same time, our county has been among the fastest growing in the state and in the nation for several years in a row, and the percentage of residents who are 65 years old or older continues to grow. In 2010, 21.4% of our population was 65 or older, and by 2015 that figure had grown to 28% (statewide, those numbers were 12.9% and 15.1%, respectively).

As we undertook the process to develop a new long-term strategic vision guide, we wanted to mirror many of the steps taken in forming “Brunswick Tomorrow.” As Denny Jordan, Chair of “Brunswick Tomorrow,” wrote then, “This is your plan! Its heart and soul comes from the comments and the feedback that we received.” We held meetings to gather public input in areas across Brunswick County, and met with a number of groups with specific economic interests. We also opened a survey to gather public input, which was made available online (including at facilities with public computer and internet access), as well as in paper format.

In reviewing the feedback from the survey as well as the meetings, certain themes started to stand out. Many of our citizens of all ages moved here recently, in many cases in the last five or ten years. Some moved here from other states, and some from other areas of North Carolina, including neighboring counties. Over and over, citizens mentioned coming to Brunswick County for its quality of life, its unique character, and its natural resources, including beaches, waterways, and rivers. They mentioned coming to Brunswick County because it was not like neighboring counties and large towns, and wanting to see it maintain its unique atmosphere. Maintaining that, while at the same time preparing for growth and ensuring adequate infrastructure for the rapidly growing population, was another common theme.

After the public input was compiled, we assembled four citizen action teams to help develop mission statements and goals with ideas for how to apply the public feedback we had received. Each team developed a report, which was reviewed by the steering committee and ultimately incorporated into this final document.

The document is called Brunswick Vision because that’s what it is – your vision, for your county.

Steering Committee and Planning : ON PAGE #7

During budget workshops in the spring of 2015, the Board of Commissioners discussed implementing a strategic visioning process. It was decided that the process would be led by the Commissioners, with assistance from county staff. A strategic vision steering committee was appointed, with Commissioners Frank Williams and Randy Thompson serving as Committee Co-Chairs. Additional committee members included the County Manager and Deputy Manager, Planning Director, Cooperative Extension Director, and Public Information Officer. The committee began planning ways to gather public input, and a facilitator was hired to help facilitate public meetings.

3.3.3. Planned Development

A. Intent

The Planned Development (PD) option is intended to encourage the development of desirable and exceptional projects for both residential and nonresidential uses. This may include a mixture of uses not ordinarily permitted in a traditional development. Certain development privileges, through diversified land development standards in exchange for preplanning and exceptional design considerations, provide flexibility in utilizing new development concepts that are intended to:

- i. Encourage creative development that preserves natural and scenic features.
- ii. Promote the efficient use of land resulting in infrastructure networks that maximize the allocation of fiscal and natural resources.
- iii. To preserve in perpetuity unique or sensitive natural resources such as groundwater, floodplains, wetlands, streams, steep slopes, woodlands and wildlife habitat.
- iv. To protect prime agricultural land and preserve farming as an economic activity.
- v. To permit clustering of houses and structures in a manner that will reduce the amount of infrastructure, including paved surfaces and utility easements, necessary for development.
- vi. To reduce erosion and sedimentation by minimizing land disturbance and removal of vegetation in development.
- vii. To protect scenic views.
- viii. To promote interconnected greenways and corridors throughout Brunswick County in accordance with the County-wide Greenways Master Plan.
- ix. To create contiguous greenspace within and adjoining the development site.
- x. To preserve important historic and archaeological sites.

B. Planned Development Approval

1. Establishment Criteria

- i. There is no minimum acreage requirement. However, it is envisioned that PD projects are two acres or greater in size.
- ii. The PD may be developed in phases or sections in accordance with the phasing schedule submitted as part of the approved plan.

2. Applicability

- i. All proposed developments utilizing a Planned Development or modifications to an approved Planned Development shall be subject to the review and approval procedures found in this Section.

4.3.2. Density Bonus

The Density Bonus provisions in this section are available to any project (i.e., Planned Development or Conventional) meeting the requirements as outlined herein. Density bonuses are intended to encourage workforce housing, dedication of public facilities and exceptional design in development projects.

A. Work Force Housing Density Bonus

1. Applicability

This program may be utilized at the time of application for new developments with a minimum of 15 dwelling units or projects adding at least 15 units to an existing development.

- i. At least 15% of the units shall have payments affordable to persons and families with annual incomes at or below 60% of the area median family income by family size, according to target income limits set by HUD for Brunswick County.
- ii. Other incentives such as flexible parking or fee deferral agreements may be considered on a case-by-case basis.

2. Bonus Program

- i. A density bonus of up to 20% may be granted for projects providing units affordable to persons with incomes between 60% and 80% of the median household income for the jurisdiction.
- ii. A density bonus of up to 25% may be granted by the Planning Board for projects providing units affordable to persons with incomes below 60% of the median household income for the jurisdiction.
- iii. Workforce units shall be incorporated throughout the project, and shall not be distinguishable from market-rate units through location, grouping, design or other physical characteristics.
- iv. In single-family and duplex developments, lot sizes and yard requirements in internal lots may be reduced up to 20% in order to incorporate the additional units; however, no decrease in lot size or yard requirements in perimeter lots shall be permitted.
- v. In multifamily housing developments, height allowance up to 60 feet with flexible setback requirements may be allowed, depending on the design of the project, number of units, etc.
- vi. Units added through this program shall not increase the amount of open space otherwise required for the project.
- vii. Affordability limits in rental units shall be adhered to for a minimum of 15 years. An annual report shall be provided by the project developer or manager to the County or designated personnel which identifies the incomes of persons residing in the workforce units, and the rents or initial sales price being charged, to verify these are within the established limits.
- viii. Affordability in for-sale units shall be required to be adhered to only in the initial sale.
- ix. Compliance measures may be required at the time of approval, including but not limited to contracts, restrictive covenants, deed restrictions, and stipulated penalties.

B. Public Facility Density Bonus

1. Applicability

This program may be utilized by projects meeting the requirements of this section. It is especially encouraged for the Planned Development projects.

County of Brunswick
Office of the County Commissioners

RESOLUTION IN SUPPORT OF WARM

WHEREAS; in 2021 WARM (the Wilmington Area Rebuilding Ministry) is celebrating 25 years of service to lower-income families in Southeastern North Carolina; and

WHEREAS; WARM grew out of the United Methodist Church's response to Hurricane Fran in 1996. Twenty-five years later, WARM volunteers, founders and staff members continue to make critical repairs and accessibility upgrades to help families and individuals remain in their own homes and communities; and

WHEREAS; in 25 years, WARM has rebuilt over 1600 homes in seven North Carolina counties, addressing threats to health and safety as well as investing over \$20 million worth of repairs into our region's affordable housing stock; and

WHEREAS; in 2014, the County selected WARM to administer the Urgent Repair Program funded by the NC Housing Finance Agency and has supported this program with \$20,000 in matching funds annually; and

WHEREAS; the average monthly income of a WARM family in 2021 is only \$1,542. Fifty-eight percent of WARM homeowners are over 60 years old and 66% have no mortgage. These homeowners pass their home to heirs, helping to alleviate generational poverty; and

WHEREAS; the WARM model uses volunteer labor with knowledgeable supervisors, and funding from government, corporations and individuals to make necessary home repairs, allowing many of these people to live out their golden years in a safe and stable home environment; and

NOW THEREFORE BE IT RESOLVED BY THE BRUNSWICK COUNTY BOARD OF COMMISSIONERS

1. That the Board of Commissioners extends its warmest congratulations in celebrating 25 years of rebuilding homes and lives; and
2. That the Board of Commissioners continues to believe in WARM's mission to repair, rebuild, and make homes accessible; and

Issue/Action Requested:

Request that the Board of Commissioners approve a resolution to assist the Town of Shallotte in submitting an application to the North Carolina Department of Environmental Quality Merger/Regionalization Feasibility Grant Program and, should funding be granted, cooperate with the Town to evaluate the potential merger of the Brunswick County Utility system with the Town of Shallotte water system.

Background/Purpose of Request:

The Town of Shallotte has recently requested that the County consider applying for a DEQ Merger/Regionalization Grant to evaluate the potential for merging the County Utilities system with the Town's water system. County staff requests that the Board of Commissioners resolve to assist the Town of Shallotte in submitting an application to the North Carolina Department of Environmental Quality Drinking Water Merger/Regionalization Feasibility Grant Program to evaluate the potential merger of the Brunswick County Utility system with the Town of Shallotte water system. The grant funded Merger/Regionalization Feasibility study will evaluate the viability of all systems involved in the potential merger. By agreeing to cooperate in submitting the grant application and participating in a feasibility study, Brunswick County is not binding itself to act on the recommendations of the study.

County staff further request the Board of Commissioners to authorize the Director of Public Utilities to provide documentation and furnish such information as the appropriate agency may need or request in connection with the applications or the study.

Re: Utilities Merger Exploration and Merger/Regionalization Feasibility Grant Program

Dear County Manager Woodruff:

For decades Brunswick County has been the regional provider of wholesale water service for the Town's water distribution system. The Town would like to consider expanding on this mutually beneficial arrangement by exploring the possibility of a merger of the Town and County water systems. We believe that there may be economies of scale that can be leveraged to benefit both county and town customers and that funding may be available through the (NCDEQ) Merger/Regionalization Feasibility Grant program. It is our understanding that a merger of the two utilities utility systems has not been previously evaluated and recommendations regarding the merger of the systems are not available.

The Town would like to request Brunswick County to partner with us by providing assistance necessary for the completion of the grant program application and completion of a merger/regionalization feasibility grant funded study, if awarded. The study would be used to evaluate the viability of a potential merger of the water and/or wastewater utility systems. However, the agreement by the Town of Shallotte and Brunswick County to partner for the purposes of submitting the Merger/Regionalization Feasibility Grant program application and grant funded study does not include a commitment by either Brunswick County or the Town of Shallotte to act on the findings of the study.

Please see the attached resolution by the Town of Shallotte Board of Aldermen in support of exploring the potential merger of the utility systems and authorizing town staff to submit the required application and coordinate with county staff on the application. Please note that in order for a complete application to be processed by September 30, 2021, the Brunswick County Board of Commissioners would need to issue a letter or resolution as the partnering utility. We thank you for your consideration of this request.

Sincerely,

Maria O. Gaither
